Horsemanship is the art of riding, driving, and handling a horse and understanding its needs. This record is for 4-H members who want to learn horsemanship skills and participate in 4-H performance events. You will care for a horse or pony and may participate in 4-H horse shows and other events. You will develop skills for living and learn about horses by doing the activities for your achievement level in your 4-H horse project activity guide.

Objectives

The purpose of the performance horsemanship option of the 4-H horse project is to help 4-H members:

- learn and practice horsemanship skills
- learn and apply principles of horse care and management
- explore interests in horses and the horse industry
- develop skills for living

Instructions for project record

1. Use this record if your horse project is performance horsemanship and you are in Level 2, 3, 4, or 5, or you are 11 or more years old.
2. Use this record along with a Level 2, 3, 4, or 5 project activity guide.* Keep your records and activity guide together in a notebook.
4. Do activities for your level in your project activity guide. Have your project helper sign your guide when you finish an activity.
5. Fill out a new record each year. You may use your activity guide more than one year.
6. Write the things you do with your horse or pony in your record. Include amounts of money you spend. Save receipts to prove what you spend. Add more pages if you need more room.
7. Keep records of things you do for the whole year (twelve months), even if your club meets just part of the year. Start and end on the same calendar day of each successive year. Your leader will tell you what date to use.
8. Turn in your project activity guide and record at the end of the year.

4-H project plans

Complete this section at the beginning of the project year.

Numbers, kinds, and breeds of horses and/or ponies I will care for (example: one Appaloosa foal and one Appaloosa mare)

What I will do to take care of them
(example: I will evaluate the body condition of my horse)

What I want to learn and accomplish
(example: I want to train and show my horse in pleasure driving)

Project requirements

To complete one year in Level 2, 3, 4, or 5 of the performance horsemanship project, you should:

1. Enroll in Level 2, 3, 4, or 5 of the 4-H horse project by June 1 of the project year.
2. Plan your project with your horse project helper.
3. Obtain and care for a horse or pony.
You should do more than one half of the work needed to properly feed, exercise, and handle your horse or pony.
4. Designate the horse or pony you intend to use as your project animal by June 1.
Record the name and other information about your project horse or pony with your county extension office by June 1 of the project year.
5. Do the learning experiences and achievement program activities for your achievement program level.*
Refer to the list of learning experiences on page 3 and the list of achievement program activities on pages 4 and 5 of your project activity guide. We recommend that you do five or more learning experiences and seven or more achievement program activities each year. Have your project helper initial the activities you do.
6. Complete at least two to three “Horsemanship skills and knowledge” activities listed on page 5.
7. Participate in 4-H meetings, activities, and events.
This book and your project activity guide contain lists of activities which may appeal to you. Do the activities which interest you. Refer to the Pennsylvania 4-H Horse Show Rule Book for rules for participating in 4-H horse shows and events.
8. Obtain a grooming and showmanship score.
You should demonstrate the ability to properly groom and handle a horse. You may obtain a grooming and showmanship score at a local or county show or from a 4-H leader, depending upon your county’s policy.
9. Keep and turn in records.

Horsemanship skills and knowledge

To complete level 2, 3, 4, or 5 of the performance horsemanship project you should complete the following. You may take up to three years to complete each level.

Activity	(✓) Completed	Date
1. Describe or demonstrate twenty safety guidelines for riding and working around horses.		
2. Identify and locate thirty external parts of the horse.		
3. Describe and identify the location of ten unsoundnesses or blemishes of the horse.		
4. Know the age at which the temporary and permanent incisor teeth erupt.		
5. Identify the parts of an English and Western saddle, and name and describe the use of ten types of bits.		
6. Demonstrate your ability to ride and explain the common gaits under both English and Western tack.		
7. Demonstrate how to clip and groom a horse properly for show or sale.		
8. Know five types each of grains or concentrate feeds, hays, pasture species, and bedding commonly used with horses.		
9. Know and understand the digestive system of the horse, including anatomy of the digestive tract, feed types and amounts for growing horses, pregnant and lactating mares, working horses, and mature horses at maintenance, and at least ten general feeding management guidelines.		
10. Know and understand the reproductive system of the horse, including anatomy of the reproductive tract, length of heat in mares, optimum time to breed, length of gestation, and general care of the broodmare and foal.		
11. Describe methods for control and prevention of five common diseases and five internal parasites of horses.		
12. Describe the proper size and construction of a box stall and run-in shed for horses.		
13. Describe the proper construction of at least five types of fencing for horses.		
14. Describe at least ten guidelines for safely and properly transporting horses.		
OPTIONAL: 1. Complete Levels 1–4 of the 4-H Horsemanship Skills Program.		
2. Read a section(s) (A–G) of the <i>4-H Horse Safety Standards</i> and complete the corresponding section(s) (A–G) of the <i>4-H Horse Safety Checklist</i> .		

Note: Please transfer this information to your next year's record book or until Levels 2, 3, 4, and 5 are completed.

Feed record

Each month record the amounts and costs or values of grain, hay, salt and minerals, pasture, and other feeds your horse or pony ate. Value pasture and home grown feeds at the current market price.*

Month	Grain		Hay		Salt & minerals		Pasture		Other feeds	Total cost or value of feed
	Amount (lb)	Cost or value	Amount (lb)	Cost or value	Amount (lb)	Cost or value	Amount (days)	Cost or value	Cost or value	(\$)
(Example)**	210	\$21.00	330	\$16.50			10 days	\$10.00		\$47.50

May										
June										
July										
August										
September										
October										
November										
December										
Total for year										\$

* The price you could have sold them for if your horse or pony had not eaten them.

** In the above example, 210 pounds of grain valued at \$21.00 and 330 pounds of hay valued at \$16.50 were fed during the month. The horse spent 10 days (8 hrs./day; 240 hrs./month) on pasture at a value of \$10.00. No salt, minerals, or other feeds were purchased during this month.

Stable record – Include, by month, the amount and value of feed, and other items.

Month	Total feed costs*	Bedding (kind and amount)	Cost	Labor (hrs)	Riding instruction or training cost	Health care	Cost	Farrier	Cost	Equipment or other items	Cost	Total cost (mo)
(Example)**	\$47.50	Straw 400 lbs	\$16.00	60	3 lessons \$75.00	Dewormer	\$12.00	Reset shoes	\$45.00	Brush	\$6.50	\$202.00

April												
May												
June												
July												
August												
September												
October												
November												
December												
TOTAL												

* Record total feed costs from previous page for each month.

** In the above example, total feed costs were \$47.50, and the 400 pounds of straw cost \$16.00. The member spent 60 hours working with his/her horse, had three lessons for \$75.00, bought dewormer for \$12.00, and had his/her horse's shoes reset for \$45.00. A brush was purchased for \$6.50. Make an entry only for the month you purchased items, not for the month they were used.

Other Expenses

List costs of supplies, equipment, or other items not listed on stable record.

Date	Item	Cost (\$)
*(Example)	Sheet and hood	\$75.00

*In the above example, a sheet and hood were purchased for \$75.00.
