

## Bubble-Mania

## Website Resources

The Art and Science of Bubbles: information and online activities with bubbles from the Soap and Detergent Association  
<http://www.sdahq.org/sdakids/bubbles/>

Bubblespere: resources, science information, online games, history, and activities with bubbles.  
<http://bubbles.org/>

Bubble town: fun information on bubbles and online games  
<http://www.zurqui.com/crinfocus/bubble/bubble.html>

Exploratorium: this site looks at the science of bubble shapes, colors, surface tension, and soap.  
<http://www.exploratorium.edu/ronh/bubbles/bubbles.html>

Science Museum of Minnesota: Activities and resources on bubble shape and geometry.  
<http://www.sci.mus.mn.us/sln/tf/b/bubblegeometry/bubblegeometry.html>

Dr. Rutger, a bubble scientist's site: view a movie clip on the making of a giant soap film, answers to science questions about bubbles, and details on making a giant soap film experiment.  
<http://home.earthlink.net/~marutgers/>

Casey Carle: Frequently asked questions about bubbles and formulas for making bubble solutions. Send a "bubblegram" to the site to get answers on science questions about bubbles through email.  
<http://www.bubblemania.com/faq/>

Ambrosia: online game with a bubble theme.  
<http://www.ambrosiasw.com/games/bt/>
