

Instructive Resources

University of Wisconsin-Cooperative Extension: [Development of Logic Models](#)

This site has a web-based learning resource on logic models. The web site houses two modules: 1) Logic Model Basics that includes 7 sections of self-instructional learning with text, audios, activities and supplemental materials, and 2) the Community Nutrition Education (CNE) Logic Model that describes the development of a national logic model and its use in regional and national nutrition education reporting. For clarification of the latter, see the FSNEP national web site at <http://www.csrees.usda.gov/nea/food/fsne/fsne.html>.

[Online Evaluation Resource Library](#)

As described on the site: OERL is composed of **plans**, **instruments**, and **reports** that have been used to conduct evaluations of projects funded by the Directorate for Education and Human Resources. OERL also contains glossaries of evaluation **terminology**, **criteria** for best practices, and **scenarios** illustrating how evaluation resources can be used or adapted. To support collaborative deliberation and use of these materials, OERL also provides a **discussion board**.

NEW to the site: Professional Development Modules.

<http://oerl.sri.com/> current as of July 17, 2008.

[CYFERnet Evaluation Resources](#)

The **Children, Youth, and Families Education and Research Network** operates this site. Among the resources it includes are **tools** for adapting evaluation to different programs, and several **links** to other sites. See especially **Evaluation Made Easy: Examples of Practical Evaluations**

<http://www.cyfernet.mes.umn.edu/evaluation.html> current as of July 17, 2008.

[Basic Guide to Program Evaluation](#)

This document provides extensive guidance toward **planning** and **implementing** an evaluation process for for-profit or nonprofit programs – there are many kinds of evaluations that can be applied to programs, for example, goals-based, process-based, outcomes-based, etc.

http://www.mapnp.org/library/evaluatn/fnl_eval.htm current as of July 17, 2008.

[Program Evaluation Measurement Resource](#)

This site contains a quick **introduction** to what Evaluation is, how to conduct it, and some techniques and instruments. The site is designed for **extension** managers and educators.

<http://ohioline.osu.edu/~brick/dcc1pg.htm> current as of July 17, 2008.

[Taking Stock: A Practical Guide To Evaluating Your Own Programs](#)

This manual focuses on internal evaluation conducted **in-house**. It is designed to help **individuals** in organizations design and carry out a program evaluation on their own. It provides many examples.

<http://www.horizon-research.com/publications/stock.pdf> current as of July 17, 2008.

[Program Evaluation Measurement Resources](#)

As described on the site: PEMR is for educating individuals on the basics of program evaluation & **measurement**. It was researched and designed to meet the needs of educators and programmers alike. A database demonstrating data collection **instruments**, several analysis **reports**, interesting **links** and program evaluation/**measurement** information was organized to contribute to making program **measurement** a more convenient activity.

<http://www.ag.ohio-state.edu/~brick/dcc1pg.htm> current as of July 17, 2008.

[Transcript of An Evaluation Workshop](#)

This is the transcript of a workshop on Planning and **Constructing** Performance-based Evaluations that was given in 1998 at the National Transition Alliance for Youth with Disabilities Project Directors' Annual Meeting.

<http://www.ed.uiuc.edu/sped/tri/evalwkshp.htm> current as of July 17, 2008.

[CGU Foundations of Evaluation Home Page](#)

As described on the site: This page is intended not only for students taking evaluation courses at **Claremont Graduate University**, but also for evaluators seeking information about: **Fundamental concepts** in evaluation; Tough **applied** issues; Advanced concepts and **methodologies**.

NEW to the site: AES's Graduate Student Association.

NEWER to the site: SIOP EvaluationNetwork Listserv.
