

Penn State **Extension**

Environmentally Friendly Farm Program Application

Name: _____

Name of Operation: _____

Address: _____

Phone Number(s): _____

Email address: _____

County: _____

Date Completed: _____

1. How large is your farm?

Total Acreage _____ Owned _____ Rented _____
Pasture _____ Cropland _____ Woodland _____

2. Specie and Number of Animal(s):

3. Check all of the plans and certifications that the operation currently has.

** In order to qualify for the Environmentally Friendly Farm Program, farms need either a certified Nutrient Management Plan or a Manure Management Plan as required by Pennsylvania state regulations. Not all farms need all of the plans listed below. Assistance will be provided in identifying and preparing any plans that are required based on current regulations.*

- *Nutrient Management Plan *Manure Management Plan
 NRCS or Penn State Grazing Plan Other: _____
 Erosion and Sediment Control and/or Conservation Plan

4. Has your County Conservation District, your county Extension office, or Natural Resource Conservation Service (NRCS) ever provided you with technical service or advice?

YES NO

5. Have you ever attended any of the Penn State Extension Equine Environmental Stewardship, pasture management, or manure management plan writing courses?

YES NO

6. Please provide a brief description of your operation (cow-calf, boarding, breeding, feeder etc.)

7. Please highlight and describe any special features or management practices on your farm that further help to protect the environment (natural wetlands, maintain wildlife habitat, etc.)

8. Are there any lakes, streams, wetlands, or ponds located on property?

YES NO

➤ If yes, are they located in or near pastures or crop fields?

YES NO

Please Return Application and Self-assessment To:

Penn State Extension
Attn: Donna Foulk
14 Gracedale Ave
Nazareth, PA 18064
