2012 Penn State Extension in Erie County Winter Meetings

All checks are to be made payable to “PSCE – Erie County,” unless otherwise noted.

Space is limited; registration and advance payment is required to reserve your space. Please call Penn State Extension Erie County (814) 825-0900 for registration information. All meetings held at Penn State Extension Erie County office unless otherwise noted (850 East Gore Road, Erie, PA 16509).

- January 23 Green Industry Winter Update: *Recordkeeping* presented by Penn State Pesticide Education and *Plant Selection + Culture = IPM* presented by Sandy Feather (2 core credits/2 category credits: 6, 18, 23, private). From 1:00 to 3:00 P.M. \$5.00 fee.
- January 27 Green Industry Winter Update: *Surfactants* presented by Penn State Pesticide Education and *Invasive Insect Update* presented by Tom Butzler (2 core credits/2 category credits: 6, 18, 23, private). From 1:00 to 3:00 P.M. \$5.00 fee.
- February 6 Green Industry Winter Update: *Pesticide Storage* presented by Penn State Pesticide Education and *IPM for Thrips, Scale & Mealybug in Greenhouse Production* presented by Ruth Benner (2 core credits/2 category credits: 18, 22, 23, private). From 1:00 to 3:00 P.M. \$5.00 fee.
- February 9 *Agronomy Winter Updates* presented by Joel Hunter (2 core credits/2 category credits: cat 01 or private category). From 1:00 to 3:00 P.M. \$5.00 fee.
- February 13 *Agronomy Winter Updates* presented by Joel Hunter (2 core credits/2 category credits: cat 01 or private category). From 1:00 to 3:00 P.M. \$5.00 fee.
- February 15 Green Industry Winter Update: *Recordkeeping* presented by Penn State Pesticide Education and *Turf Update* presented by Jeff Fowler (2 core credits/2 category credits: 7, 18, 23, private). From 1:00 to 3:00 P.M. \$5.00 fee.
- February 23 Green Industry Entomology Short Course. The Entomology Short Course is designed for green industry professionals to increase their knowledge of insects. Participants will learn to identify common insects that are found in plant production, landscapes and turf grass; both insect pests and beneficial insects will be discussed. Prediction of pest activity through phenology and Growing Degree Days will be reviewed and management of pests using an IPM strategy will be discussed. Pesticide Recertification Credits and ISA CEUs will be available for participants, pending approval. Registration will be through the CVENT system. For more information contact Ruth Benner at the office. From 8:30 A.M. to 4:00 P.M. \$15.00 fee for registrants by February 13. \$20.00 for non-registrants after February 13.
