

2010 Marcellus Summit – Presentations Order Form

The Marcellus Summit was held on the Campus of Penn State University on October 10-12, 2010. The event featured a variety of presenters from industry, regulatory agencies, University, and organizations. For a complete agenda visit the conference web site at: <http://www.outreach.psu.edu/programs/natural-gas/index.html>

We are offering copies of conference presentations (27 presentations total) for \$30.00. You'll receive your order via email with private links to all of the conference presentations. You can choose to view the presentations online or download .pdf copies of them for viewing and printing.
