This project consists of five activity guides on the theatre arts of acting, puppetry, and stagecraft. Many of the National Standards for Arts Education are taught through various activities. Students are encouraged to keep a portfolio to document their learning. Join the show and let your students journey into their imaginations!

## 4-H and Schools: A Great Partnership!

4-H is a youth development program of Penn State Cooperative Extension. It is a nonformal education program for youth between the ages of 8 and 19.

4-H projects are offered to youth through community clubs, project clubs, and special interest groups, as enrichment to school curricula, and in the 4-H Afterschool program. Projects are based on research, and many help to support the Pennsylvania Department of Education Academic Standards.

This publication is available in alternative media on request.

Penn State is committed to affirmative action, equal opportunity, and the diversity of its workforce.
