

Go Native!

Two Day Event, May 17 & 18, 2014

Saturday, May 17, 2014

Meet the Pollinators

2:00 PM - 3:00 PM

Learn low-cost, low stress, highly effective ways to create a pollinator habitat in your existing yard, planters and window boxes. Pollinators are in decline and backyard gardeners can make a difference by adding native flowers, shrubs or trees.

Planting for Pollinators

4:00 PM - 5:30 PM

Low maintenance plants that grow well in our soil and climate. Birds, butterflies, solitary bees and other pollinators will appreciate the effort! Participants will have a guided tour of the PEEC Penn State Certified Pollinator Garden.

Sunday, May 18, 2014

Invasive Plants

9:00 AM - 10:30 AM

Invasive plants such as stilt grass and garlic mustard grow so well in our area that they crowd out the plants we want to have. Learn ways to discourage or eradicate the many plants that invade our yards and woods.

Fees for May Workshops:

\$10 for complete 2 Day Event (or)

\$5 for each single Workshop

Registration Deadline, Thurs. May 15, 2014

PEEC has overnight accommodations available, contact email: peec@peec.org

Sunday, June 22, 2014

Rain Barrels

2:00 PM - 3:00 PM

Rain Barrels conserve water, save money and diminish water pollution by reducing storm water runoff, which can contain pollutants like sediment, oil, grease and bacteria. Learn to make your own rain barrel with parts available at your local stores. \$5 Fee for June Workshop.

Registration Deadline, Thurs. June 19, 2014

Sunday, July 20, 2014

Vertical Gardens

2:00 PM - 3:00 PM

Learn an alternative way to garden. Great ideas if you are short on space or don't have a yard to plant in. Vertical gardens can screen out unwanted views, make caring for plants easier, lead to a higher crop yield and bring beauty to your environment. \$5 Fee for July Workshop.

Registration Deadline, Thurs. July 17, 2014

These events will be held at PEEC (Pocono Environmental Education Center)

538 Emery Road,

Dingmans Ferry, PA 18328

(570) 828-2319, Website: www.peec.org
